

Registration - MyWorld @ Leica Geosystems

Summary:

In this Flow Chart we will be registering for a new Leica MyWorld Account. This will allow you to track your equipment and software download Firmware, Manual's, Instrument Keys and Training Material.

Things to have before you start:

1. If Downloading Software make sure you have the Entitlement ID:
2. If Downloading Firmware, Training Material or Manual's make sure you have your Serial Number and Equipment Number.

You will need this information so MyWorld can populate the correct products of Equipment / Software in your downloads screen.

- Step 1. Click on Register... <https://myworld.leica-geosystems.com/irj/portal>

- when it has to be right

- Step 2. Choose the following selection, then press Next...

- when it has to be right

Help

Please choose

I am a direct customer of Leica Geosystems

(You need to enter your Leica Geosystems Customer number for registration. Your Customer number can be found on all invoices or delivery notes. If you cannot find your Customer number please contact your local Leica Geosystems contact person.)

I am a customer of a local Distribution Partner of Leica Geosystems or have not yet purchased a Leica Geosystems product and would like to have a sample product in myWorld.

- * This is a general guide for Registering for Leica MyWorld...
- * Depending on your products some screens may be missing in this flow chart.
- * **Do not forget to Register your product to extend your warranty from 2 to 3 years (All Disto & Lino, Levels, Rugby).**

3 Years Warranty

Our products provide the highest levels of reliability, accuracy and ruggedness - even under the roughest jobsite conditions, making our customers more productive and successful.

Register your product within 8 weeks from the purchase date and get a 3rd year warranty for free. Please note, that replacement products from a warranty claim cannot be registered.

3 Years Warranty is subject to Leica Geosystems International Limited Warranty.
