

# Leica Geosystems Service Centre Authorisation

Leica Geosystems AG, Heerbrugg (Switzerland) confirms, that the service centre of

## Metrica AE Athens, Greece

is authorised to perform maintenance and repair work on products of Leica Geosystems AG.

The service centre is authorised to issue calibration certificates in accordance with our highly approved standards.

This authorisation is based on a successful audit of the service centre performed by Leica Geosystems AG based on the following principles:

- Technical service staff has successfully passed Leica Geosystems' product specific service training
- Leica Geosystems' product specific work instructions are strictly observed
- Only Leica Geosystems' original spare parts may be used
- Only Leica Geosystems' product specific tools, jigs and installations may be used

This authorisation is valid until 30<sup>th</sup> September 2024 \*

Leica Geosystems AG

Peter Ammann  
Director Central Technical  
Service  
Leica Geosystems AG

20<sup>th</sup> November 2023

Fulvio Dal Molin  
Senior Service Auditor  
Central Technical Service CTS  
Leica Geosystems AG

\* This authorisation is based on a valid service partner agreement (SPA). In case of termination of the existing SPA, this authorisation becomes invalid as of date of termination.
